Introduction to Natural Horsemanship with friendly competition, fun, food & lots of games

Work on your Horsemanship—learning groundwork and better riding skills. Lots of Jumping, Mounted Games and even a bit of friendly competition. In addition, there will be ground play with lots of obstacles, and Horsemanship and Horsenality Workshops.

Must be comfortable walking and trotting your horse. Basic understanding of Parelli Natural Horsemanship would be helpful, but not necessary.

Fun Ground/Online Competitions & Riding Competitions

- Obstacle Course
- Jumping
- Carrot Stick Games
- Races

Parelli Games also include picking up objects, dragging them, swinging ropes over horse's back, encountering obstacles.

Limited partial scholarships available on a first come basis. Contact: Kelly at Kelly1@KellySigler.com
