A unique experience at the fabulous Transition Ranch in Kinney County Texas—limited to only seven lucky people. Take the next step in developing your horsemanship by spending the mornings with Kelly in group classes, and spending the afternoons working on your specific goals in one-on-one private lessons.

You will find comfort in the beautifully appointed Casitas at Transition Ranch. Each Casita is equipped with a Kurieg Coffee Maker, refrigerator, and full bathroom. And they surround a large pool and hot tub, the perfect place to recharge anytime. At the end of the day relax in the hot tub with a glass of wine, and enjoy the exquisite views of the Big Dipper and North Star.

Your horse will share a 3-acre turn out, with outdoor stalls available. Please be sure to bring your own horse's feed. The ranch with 2000 acres has over 26 miles of well-marked trails offering fantastic mountain views.

Transition Ranch is also a Photography Ranch. If you are interested you will have access to the photo blinds. And April is a great time for photography as it is migration season. Birds flying from South America to North America rest over here. Even if you just have a point and shoot camera, it is an experience not to be missed.
